## Education

**Front-End Web Development**  
From Software Engineer At InspironLabs  
January 2023-present

**Graduation**  
Sri KrishnaDevaraya University  
July 2020 - August 2023

## Technical Skills

HTML5 CSS3 JavaScript  
React Redux  
RESTful APIs  
Responsive Web Design Git  
Java

## Soft Skills

Problem Solving Teamwork  
Time Management  
Adaptability  
Effective Communication

# Adharsh

## Frontend Developer(React)

## Professional Summary

Dynamic Frontend Developer specializing in React.js with robust capabilities in JavaScript and responsive design. Demonstrates advanced proficiency in integrating frontend components with server-side APIs. Swiftly adept at leveraging Generative AI and continuously learning emerging technologies to elevate development workflows.

## Projects

**Bewakoof** [Live Demo Link](#) [Github Repo Link](#)

HTML5 CSS3 JavaScript

Responsive Web Design

- Developed front-end components using HTML, CSS, and JavaScript to create a visually appealing interface for Bewakoof.com.
- Implemented responsive design ensuring optimal performance and compatibility across various devices and browsers.
- Enhanced the user interface to provide seamless navigation and an improved shopping experience.
- Conducted thorough testing and debugging to ensure high reliability and stability of the application.
